

# Finance Manager

---

Do you see beyond numbers? Do you want the seat at the table as a business partner? Do you have the courage and the vision to lead? Do you want to join a committed team in an international, innovative and dynamic organization? If so, we are looking for you!

---

## YOUR OBJECTIVE

You have hands-on approach in building and driving a proactive finance agenda to maintain a sound internal controls environment. You drive the development and attainment of business strategies and plans across North East region in Europe. You are a member of the local Management Team.

---

## YOUR MAIN ACTIVITIES

- ▶ Lead the execution of the Financial Plan
- ▶ Provide leading and lagging financial indicators and provide recommendations for continued improvement
- ▶ Improve the quality of financial understanding in the region to facilitate decision making
- ▶ Manage financial integrity systems and compliance activities (incl. FBP SOX and ASAT)
- ▶ Ensure local compliance for all financial auditing and reporting for NEE region (4 legal entities)
- ▶ Oversee month end and annual close processes
- ▶ Manage the cost and pricing tools
- ▶ Responsible for all forecasts and plans as well as bridging actual results to plan and forecast
- ▶ Ensure financial information systems are meeting the needs of internal and external customers
- ▶ Support compliance with EHS-, Quality-, internal Arconic guidelines and co-ordinate changes

---

## THE IDEAL CANDIDATE

- ▶ Degree in Finance or Accounting
- ▶ 5+ years of Controller experience in a manufacturing environment and/or distribution environment. Preferably within a trade listed global company
- ▶ Strong analytical skills, active and dynamic approach, reliable and dependable in meeting objectives and deadlines
- ▶ Excellent oral and written communication in English and Dutch
- ▶ Ability to work effectively in a team environment with tight deadlines and multiple/competing priorities, with the team on-site in Harderwijk
- ▶ Demonstrated knowledge of GAAP
- ▶ Advanced Excel, Power BI and a commonly used ERP. Experience with Oracle EBS and EPM are a plus
- ▶ Possess the ability to develop, coach and mentor the members of the finance team

---

## OUR OFFER

- ▶ Permanent contract
- ▶ Pension scheme (PME)
- ▶ Incentive program
- ▶ Generous leave of 40 days (incl. ADV days)
- ▶ Friendly and cooperative working environment

---
